We believe in a

PEOPLE-FIRST

approach to business

It's our goal to give you the best quality, pricing, and service through innovative products, aggressive shipping policies, marketing support, and an online review and MAP strategy.

We also know that today's customers look for value in more than just what they're spending. They want their dollars to do good—and so do we.

Since 2016, we've proudly supported the Malouf Foundation, and since 2019, we've been Utah's largest Certified B Corporation™.

What started as a company-run foundation has blossomed into a nationally recognized 501(c)3 organization working to end sexual exploitation in the United States. Let's make the world better, together.

SHIPPING GUIDELINES

Case Packs & MOQ

- No minimum order quantities
- No charge for splitting case packs
- For optimal shipping economies, individual units should add up to complete case packs

Shipping

Shipping charges are calculated from the nearest Malouf™ distribution center.

The following shipping discounts are available (continental U.S. only):

- Orders with a qualifying product total above \$1,500 receive free shipping (see below)
- Orders with a qualifying product total over \$750 receive half-price shipping

WHAT'S INCLUDED IN FREE SHIPPING?

Free shipping includes ground shipping to a business address with the carrier of our choice. Extra charges such as inside delivery, liftgate delivery, delivery appointments, etc. will be billed on your next invoice.

ORDER QUANTITIES

For optimal shipping economies, order quantities that are multiples of the case pack number listed on top of each pricing table.

Drop-Shipping Program

Our Endless Aisle Drop-Ship program gives your customers our full range of colors and sizes without you having to crowd your warehouse.

- Place a drop-ship order easily on the Wholesale Resource Center (WRC) or by email, phone, or fax
- Most orders ship within 2 business days, giving your customers a quick turnaround that's not typically associated with special ordering
- Shipping charges vary by order size and destination (including large item delivery and service accessories) and will be billed with the product cost
- Drop-ship fees are waived when customers live within 100 miles of your store; customers living outside the 100-mile radius are charged an additional \$8 per order

PLACING ORDERS

Order Processing

We accept orders in the Wholesale Resource Center on maloufhome.com, through AmpTab, or email, phone, or fax.

For order-related questions, we will email you before processing your order—please respond quickly to ensure timely shipping.

Once your order has been processed and shipped, an invoice will be sent to you with tracking information.

To receive invoices by mail, or to receive tracking information separately, let us know when you sign up or email orders@maloufhome.com.

NOTE:

Product packaging is updated throughout the year and may look different in your order.

Inputting Color-Variable SKUs

Given the large quantity of sheet and pillowcase SKUs, we use a shorthand system to select colors.

MA90SK_MS

The underscore (_) indicates a two-letter code inserted into the underscored space.

For example, to choose *White*, WH is entered in the underscored space.

WH
↓
MA90SK_MS

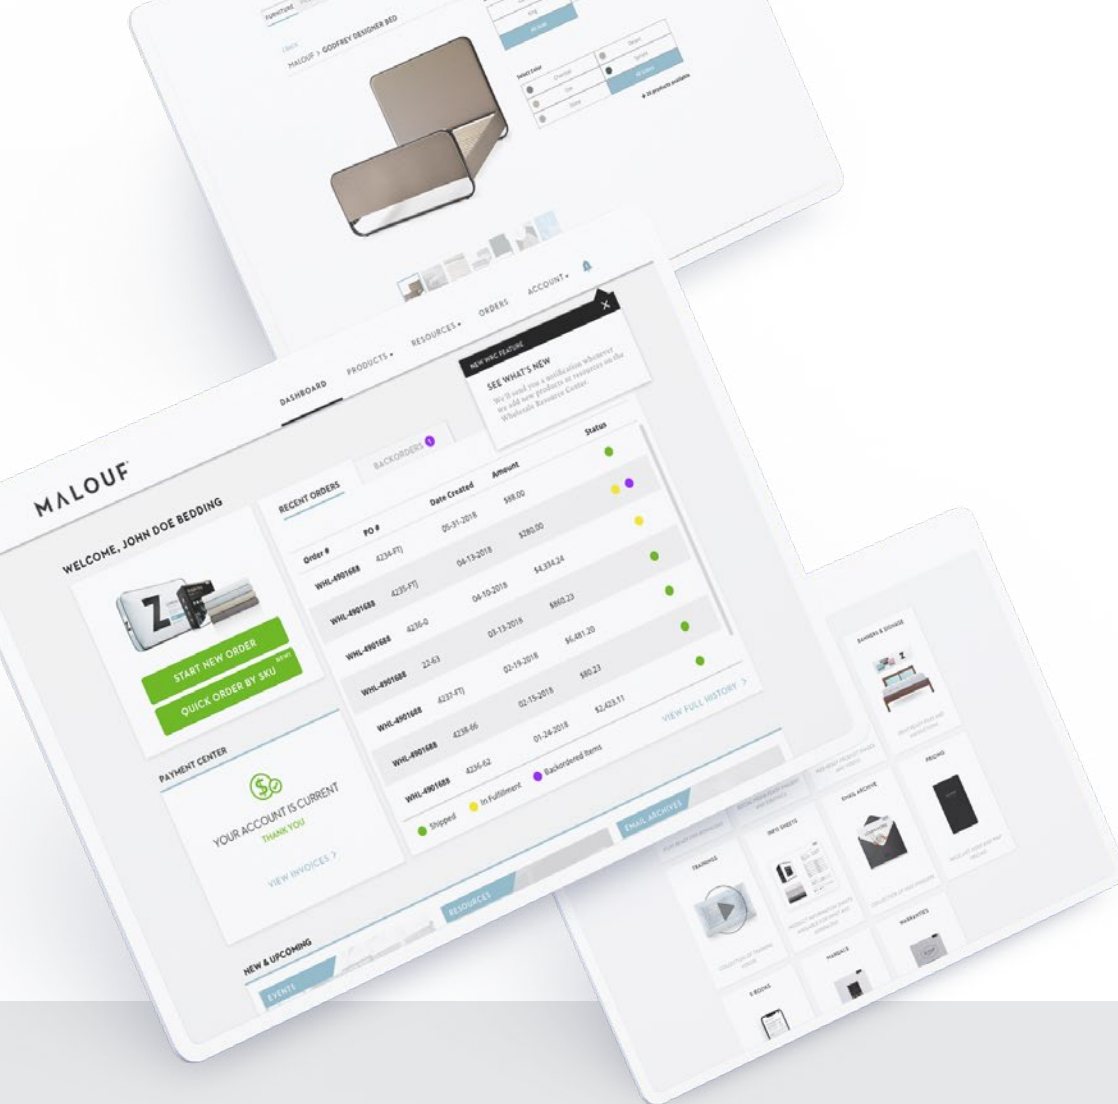

The final SKU for ordering would be:

MA90SKWHMS

The price specified on a size applies to all colors available.

What Fabric Inserts Should I Order with a Frame?

TO DISPLAY AGAINST A WALL:

Order your mattress fabric of choice. Because the wall will hide the reverse side, a black backer fabric is not necessary.

TO DISPLAY FREESTANDING (SINGLE-SIDED):

For a clean finish, order your mattress fabric of choice and a black backer fabric.

TO DISPLAY BACK-TO-BACK:

To show two mattresses back-to-back, order two mattress fabrics, one for each side of the display. Black backer fabric is not necessary.

BUNDLE BOXES

- Display bedding bundles in a clear and organized way
- Cross-sell sleep accessories and increase average order value
